

WOOD AND WIRE

Posted on 2018-02-14 2019-12-17 by spd_wp_admin

Dear Reader,

So here are 3 from Saturday's drive, 2 from last December, and 1 from March of 2016 to complete the set. I have nothing to write. I hope you enjoy the photos.

The first three are verticals. They may not appear correctly in the grid but they do display properly when enlarged.

Oh boy, oh boy. I LOVE verticals! I have tried several times but have always been unhappy with my results with wood fencing closeups.
