

CONSOLATION PRIZE

Posted on 2018-05-21/2019-12-17 by spd_wp_admin

A week ago I found a location that had potential. Yesterday morning the alarm went off early, and once again I was bound for the Longview area. The intended destination was too far for the time allotted. I was tired and out of mental sorts for most of the morning. In fact, at one point I pulled onto the side of the road and went to sleep for half an hour.

The morning was not without its rewards. I did add to couple of series, and here is my consolation prize.
