

RA SO FAR

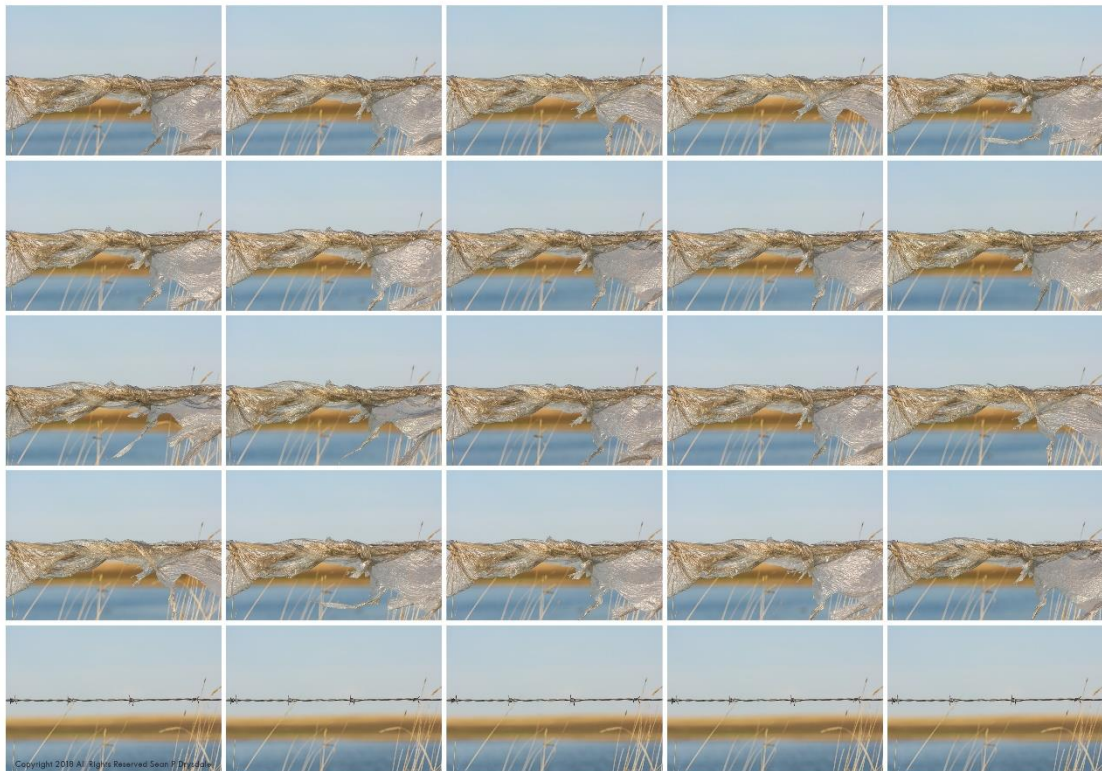

Posted on 2018-12-11/2019-12-17 by spd_wp_admin

Dear Reader (2018-12-11),

One of the lovely things about Lightroom is that as my skills improve, I have the opportunity to revisit images and make better adjustments. The result is that there are now 5 images in the RA collection. RA-014 is the most recent one (last in the sequence below), and I am very pleased with it. Nassim Nicholas Taleb wrote in "The Black Swan" about the difficulty many have with randomness. As a result, we want to apply order and a narrative where none exists. RA-014 also plays with this idea.

I looked at these photos again. What do they say to me? Sean tried to run from a raging bull and ripped his pants–20 times!
