

NEW ON THE VERGE PHOTOS 01

Posted on 2019-03-19 2019-12-17 by spd_wp_admin

Dear Reader,

Today I have 2 new additions for the On The Verge series. Please click on the link to see the additions with their friends. As in the other cases, these images loose considerable sharpness through compression. If you would like to see the crispy versions please let me know.

Cheers, Sean
