

# THANK YOU 2019 04

Posted on 2019-04-07 2019-04-07 by spd\_wp\_admin

Thanks to the guidance and editing prowess of friends, a newly revised CV and Artist's Statement now exists. On my 5 step plan to getting some sort of a show together, step 2 is now complete. The 5 steps are:

- 1 – (Done) – Rework my website
- 2 – (Done) – Put some words to what I'm doing
- 3 – (In Progress) – Establish presentation options
- 4 – (Started) – Create Marketing Plan
- 5- Execute Marketing Plan

Thank you one and all from an ever so appreciative Sean
