

# COFFEE AND CAMERAS 2019-04-14 H

Posted on 2019-04-17 2019-04-17 by spd\_wp\_admin

Dear Reader,

There may not be many of you, but I know you are all clever. The companion post is here. As per that post, these photos are only connected via time and place, or at least those are the only connections I am going to confess to.

I think I get it. But then it's been a long day struggling with brutal data, and a PM behaving like a ping pong ball in a blender, and that's before the 4 expresso. Plus I don't want to spoiler it.
