

NOT LIKE THE OTHERS

Posted on 2019-06-25 2019-06-24 by spd_wp_admin

Dear Reader,

This is the fourth day of “All Over the Map” and the last of 3 days from a hidden gem south of the Hat. Though these images are not ugly ducklings, they are not like the others and not like each other either. Though I am not particularly happy with the last one, it is here is a sign post to a possible idea,

Stay tuned for something completely different.

Here is the set “All Over the Map” so far
