

DEVON MISCELLANY

Posted on 2019-08-12 2019-08-11 by spd_wp_admin

Dear Reader,

I believe this will be the penultimate collection from Devon. As the title suggests, if you are looking for a theme or semblance or order here, you are going to be disappointed. On the other hand, you may be interested in my whims of the moment. That is not entirely true, because 2 and 13 were from rambles with a cove in mind.
