

# SO MANY HALF BAKED IDEAS

Posted on 2019-12-03 2019-12-03 by spd\_wp\_admin

Dear Reader (2019-12-03),

I have been going madly off in all directions, which might induce whiplash. This would be most unfortunate especially as these are not WCB approved work spaces. Over the next 4-6 days, I will be posting some of my recent explorations. The range will cover a bit of urban, a bit of rural, and studio tales .

So to start we begin with a rural dawn, barely outside the city limits.

Cheers, Sean
