

# ETHNIC FLAVOURS

Posted on 2019-12-05 2019-12-09 by spd\_wp\_admin

Dear Reader (2019-12-05),

The other day I found myself walking 20 blocks or so of 17th Ave. SE. Some people call it the hood, others call International Avenue, others refuse to go there, and I found it photographically rewarding. The focus is a little soft on some of these so I will be returning with tripod.

This is Day 2 of Half Baked Ideas  
• Day 1 – So Many Half-Baked Ideas  
• Day 2 – Ethnic Flavours – Today

Cheers, Sean
