

FIVE STANS 20 – LIVIN

Posted on 2024-03-132024-03-13by spd_wp_admin

Dear Reader (2024-03-13)

Today's post is the last of seven Tajikistan posts within the Five Stans series (all available on this website). The Tajikistan posts are:

- ~ Five Stans 14 – Seven Lakes Region
- ~ Five Stans 15 – Introductory Written Ramble
- ~ Five Stans 16 – On The Road
- ~ Five Stans 17 – Out and About
- ~ Five Stans 18 – Monumentalism
- ~ Five Stans 19 – Marvels
- ~ Five Stans 20 – Livin

Soon (once I have finished editing them) you and I will visit Uzbekistan for the second of three visits. But before we do that here is a collection I call Livin.

The four portrait photographs were captured with permission. As per my thoughts on candid photography from Five Stans 15 (2023-01-01), weddings in highly visible places such as a public park in Khujand are ethically acceptable subject material. For those who are members of the Tones of Places FB group, you may have previously seen the two black and white photographs in this post.

Goodbye Tajikistan. You were full of wonders.
