Dear Reader (2024-12-31)

(Recent Travel Post 03 – Buenos Aires – La Boca)

It is a grey day here in Calgary. A light snow is falling and there is no line between sky and ground. What we need is a bit of colour, and so in today's post we visit (mostly) an area of Buenos Aires called La Boca. Yes, it is filled with tourists and yes, it is also filled with character.

As this year comes to an end, my hope for you in the coming year is that all your needs and half your wants are met.
